The digidestined ran into a cave. Joe set Mimi down on the ground.

"Is she ok" asked Sora.

"I'm not sure. She doesn't look to well. Either does Palmon."

"Damn it! Damn!" Tai stood in front of the wall pounding it. "I failed again."

"Tai, it's ok. You didn't fail."

"Then what do you call failing? It's my job too make sure everyone is ok and how is everyone ok when Mimi is on the verge of death?"

"Then you can think that. I'm gonna go find some food." Sore walked out of the cave.

"Come on Agumon. I better make sure that I don't make anyone else get injured." Tai followed Sora.

"Where could they be?" Hento walked on. "They aren't anywhere."

"I can't see them either but when I do I'll kill the sons of bitches."

"Good."

"Sora wait up!" Tai ran up to Sora and Biyomon.

"What Tai?"

"I came to make sure you're ok."

"You think I can't take care of myself?"

"No it's not that, it's just that, well... um."

"Spit it out."

"It's just that this whole thing is becoming such a big risk and I'm not sure whats gonna haapen next. I've been holding this in so long because I've been afraid of your response but I'm gonna tell you now cause I might never get too. I love you."

"What a concidence, I feel the same way."

"That's good."

"Yes. Wanna kiss?"

"Sure." Tai kissed Sora.

"What are they doing" asked Biyomon.

"I don't know. It must be a human thing."

~**~

"Must destroy humans." A huge monstorsity raged through a forest. "Must destroy."

~**~

"Damn, I'll just sit back and let Piedmon take over, he'll find them."

"Finally we can rest then."

~**~

"Crap man, look at that!" The digidestined stood in a large city. "It's a huge city!"

"Yeah, lets look around."

~**~

"They are in the city, must destroy."

~**~

"Oh my god! Get up the hill!" The citys center completely disingrated and a pillar of fire shot up to the sky.

"What the hell is going on?" All the digidestined ran up the hill. At the top they looked at the city. It was melting and completely evaporating from fire that shot from the center in an endless flow.

"Whats going on?" Tai walked to the edge and looked down. He looked back up. "Somekind of Digimon did this I think." Tai held Sora close to him embracing her tightly. They stood huging untill Tai said "Get Joe from the cave. Tell him to get Mimi and Palmon and hurry up, we are gonna get out of here before this thing gets to us. Whatever it is its powerful."

"Ok Tai." Izzy ran towards the cave. In minutes Joe showed up carrying Mimi and Izzy carried Palmon. "What now Tai?"

"Run like you've never ran before, run like hell!" Everyonew instantly turned around and ran.
